WOW!

Haven't they had an exciting day at the zoo! Now I wonder if Billy will notice the beautiful drawing that Pencilhead's gang did of the giraffe?

QUICK GANG!

Billy's home!

I'm SO confused!
Where do ALL these drawings keep coming from?

SIGH!

What a fun and busy day! Billy went to school and the gang went to the zoo through the MAGIC square shape. Blade tried to ride a rhinoceros (silly Blade), and Carol found a beautiful giraffe to draw with the kids!

SO busy... and yet Pencilhead's gang managed to make it home on time again. How do they do it? HA, HA...

And Billy still has no idea that his drawings all come from Pencilhead and his friends every week on their adventures!

Time to wash up and get ready for dinner. See you all next week, kids. Bye for now.

Giggle!

SHHH!
